Name: _____ Date(s): _____

Virtual School Day

To participate in our virtual school day, your child is required to complete at least one activity from each column below. Once they have completed each activity please sign your initials in the activity's box followed by the date.

Reading	Math	Vocabulary	Social/ Science	Specials
Read 30 minutes and predict what is going to happen next in the book.	**Complete an AM practice** You can scan your AM test by logging in at: https://global-zone50.renaissance-go.com/welcomeportal/2302750 (if you do not have internet you may scan your AM when you return to school)	**Word Study** Practice "Word Study" on Freckle for 20 minutes. (You can find this by clicking on ELA and then Word Study)	Complete a Google Classroom assignment.	Do 30 mountain climbers
*Read 50 minutes and write a summary of what you read.	**Practice multiplication facts** Practice your multiplication facts using flashcards, an online multiplication game, or writing them out on a piece of paper	Play SCRABBLE with a friend or family member!	Go outside! Build something or find signs of animals (scat, tracks, dwelling, etc.)	Shovel your driveway or sidewalk
Read aloud to a family member for 20 minutes.	**Freckle Geometry** Click on the "Geometry" section in Freckle and practice for 20 minutes.	*Write a fictional story. Remember to bring the setting and characters to life by using adjectives!	Use www.sheppardsoftware.com to study states and capitals!	Create something to summarize what you did today or what you saw outside
Read 30 minutes or more and draw a picture of what is happening in the book.	**Complete an AM test** You can scan your AM test by logging in at: https://global-zone50.renaissance-go.com/welcomeportal/2302750 (if you do not have internet you may scan your AM when you return to school)	Find three words in your AR book that you don't know. Use a dictionary or context clues to find the meaning. Draw a picture of what the word means.	*Research a state or country! Create a digital or paper document or google slideshow. Include: continent (lat./long.), language, diet, climate, major cities, important bodies of water, and any other interesting facts.	Look up a Just Dance video on youtube and dance along or dance to the radio for 10 minutes.
